EXECUTIVE DIRECTOR AND PRESIDENT'S REPORT

Following the Beijing Olympic Games, Swimming WA is in somewhat of a rebuilding phase in terms of high performance and competition structure as we look towards London 2012 and beyond. 2008 saw many of our elite swimmers and coaches leave the state and some retire which has given us the chance to look critically at our development pathway and to introduce some change where required. Our performance pathway has again been restructured and some exciting new initiatives have been introduced at the end of the year through our partnership with WAIS. Greg Hodge has been employed by WAIS to work with our coaches to assist in development of all programs and he will also hold a role in working with SWA development officers on our performance squads. We are also well on the way to establishing some centres of excellence in the metropolitan area. The foundation work we have done this year will be the starting point for future success from WA and the partnership with WAIS is central to that success.

Our participation rates in our swim meets increased marginally again which is very positive and the interest in Junior States, Shell Meets, Junior Excellence and the recently introduced Virtual Junior Speedster Meets has been strong. Our Open Water series saw record numbers participate despite having to cancel one swim due to shark activity. So indications that interest in the sport continues to be very strong is encouraging for the future. With 6500 members and 82 clubs across the state, our sport is still strong in a difficult economy.

We are working on our event structure to provide greater opportunity for swimmers to post a PB but also to have our meets cater for the varying levels of swimmers. Shorter meets are our objective and we believe we are on the path to achieving a workable model. We ran open and age long course before Christmas for the first time to mixed views. Already we have decided to separate the two for the 09/10 year; scheduling Age in December and Open in January which should please most members. It gives families who want time off over Christmas that opportunity and for those who want to train through can do so. Age swimmers who can post an open qualifying time will also get 2 chances at higher level competition. It is our objective to try to settle this schedule so that people can plan in advance, knowing roughly when the two premier events will be held each year.

Operationally there have also been many changes. Staff changes have occurred and the changeover always hurts a small organisation. We have now got a cohesive group of talented people working together and we are confident that this will be the start of some very positive outcomes. Already we have secured and increased our sponsorship arrangements with existing sponsors for the 2009 year and are in solid shape to secure some more. The Hancock Family, Shell, Healthway, The Water Corporation, Vorgee, Jason Mazda continue to be great supporters of the sport. The WA Department of Sport and Recreation including the Director General and the sports consultants continue to be of great assistance to Swimming WA and that support is appreciated.

We held another successful Swimmer of the Year award function at the Sheraton Hotel where we again awarded top honors to Eamon Sullivan. The highlight was inducting another quality group of people into the Hall of Fame and we congratulate each of the inductees. This event is an important one where we acknowledge people who have contributed so much over time to Swimming WA.

The Board has adopted the strategic position of taking responsibility to increase independent cash flow and so we launched the first Swimming WA learn to swim program this year at Chisholm College. This initiative has proven to be enormously successful and promises to be more successful over time. The Recswim program was also launched this year to attract the recreational swimmer to participate in our open water series but is also a means of marketing our clubs to the parents who swim socially. This program is in its infancy but is showing strong signs of being very successful. Considering the Global Financial Crisis, the 07/08 budget was very conservative and due to effective use of resources, we were able to conserve spending appropriately and as such have some reasonable cash reserves. This is a responsible approach to ensuring that the organisation would be able to trade for at least 1 year in the worst case environment. The strategy from here is to work with the finance committee to look at ways of investing cash reserves most effectively to ensure the long term viability of Swimming WA.

The Board and Committees are working very effectively and providing great value to our members. Thanks must go to all of the volunteers who give their time to attend the meetings and assist to run the organisation. Thanks to the officials who have been working very effectively this year in particular. Thank you to all of the parents of our swimmers who really are huge contributors to this sport. We really appreciate your ongoing support.

The tyranny of distance is a reality in WA so we have become self sufficient in a number of areas and are focused on finding creative ways of moving our sport forward. With the continued good will of our volunteers, ongoing support of sponsors, better managed clubs and effective use of the fantastic resources we have in this state, WA will be back to strength shortly and heading to the top of the cycle of success.

David Toll
Executive Director

Jeanette Bailey
President

DEVELOPMENT REPORT

Go Club Forums

Swimming WA conducted eight Go Club Forums in the 2008/2009 financial year with a total attendance of 255 people. These forums included a series of talks during the 2009 SunSmart Swimming Championships for parents and club administrators, a technical committee forum for our officials and a medalists meeting for our State Champions and their coaches.

Go Swim

This year Swimming WA distributed over 600 GO Swim packs to new swimming club members under the age of 12 years.

Swimmers with a Disability

During the 2008/09 season Swimming WA classified a total of 9 swimmers with a disability across the five disability areas: Functional, Intellectual, Hearing Impaired, Vision Impaired and Transplant.

Of the 9 swimmers classified, 8 were classified at Swimming WA Classification Days. Swimming WA conducted two Functional Classification Days during the year which involved volunteer medical and technical classifiers assessing the Swimmers and allocating them with a classification. The ultimate purpose of a classification is to provide an opportunity for the vast array of disabilities to compete in a category of similar ability, once a swimmer is classified they are able to compete in Swimming WA and Swimming Australia events.

Coach Education / Development

Coaches have had many development opportunities over 2008/09 with camps and conferences available for their benefit. Coaches also now have access to the WAIS swimming performance manager Greg Hodge, who has made a positive impact in his short time in this role.

- October Development Squad Camp – 14 coaches attended
- November Coaches Conference – 42 coaches attended
- January Medalist Meeting – 20 coaches attended
- March Team WA Presentations – 25 coaches recognised
- April Indian Ocean All-Stars Coaches Conference – 15 coaches attended
- May Flippers Camp – 11 coaches attended

Regional Development

Swimming WA has been working with all of the regions to develop participation, competitive swimming and to assist in the development of coaches and officials.

Clinics were made available to all regions which included opportunities for coaches, officials and athletes. Swimming WA is looking forward to working closely with the regions and the regional Department of Sport and Recreation branches to create effective development plans for the future.

DEVELOPMENT SQUAD ACTIVITIES

Development Squad Camp

The Development Squad Camp was held on the 27th - 30th of October 2008 with athletes from all three Development Squad attending the camp. A total of 46 Athletes, 15 coaches and two development officers attended the camp. Mr. Doug Frost was appointed as the Mentor Coach for the camp.

January Development Squad Filming

Coaches and Athletes from the Regional Talent Development and Flippers State Youth Squads had the opportunity to have some underwater filming taken of the athlete's starts, turns and strokes during the summer holidays. The footage was burnt on to a CD and sent to athletes and coaches. An experienced coach was also available for immediate feedback on their techniques.

Medalist's Meeting

Members of all Swimming WA development squads along with our State Long Course Champions were invited to a lecture from WAIS Senior Programs Coordinator Simon Jones, Olympic Coach Bernie Mulroy and Former Olympian Lara Carroll. The meeting was held at Challenge Stadium on the 10th of January and had over 100 people attend. This was a chance to hear the latest from the experienced elite on taking the next step in a sporting career and served as a great motivation for athletes and coaches in the lead up to the national championships.

Flippers Short Course Camp

As a new initiative for the latest inductees into the Flippers State Youth Squad, a weekend camp was held for athletes and coaches at the Belmont Oasis Leisure Centre on the 30th and 31st of May. Athletes and coaches were involved with solid training sessions, underwater filming, physiotherapy and lectures on goal setting and elite swimming standards. The skills the athletes and coaches worked on at the camp should see them have a successful short course season.

2008/09 DSR Regional Talent Development athlete performance results were as follows:

- 6 Athletes qualified and attended the 2009 Australian Age Championships
- 3 Athletes made the final in one or more events at the 2009 Australian Age Championships
- 2 Athletes were selected on the State Flippers Youth Squad

Junior Excellence Program (JX)

The JX program recognises swimmers aged 9 to 13 in a tiered standard of green, bronze, silver, gold and gold start depending on times achieved during the season. In 2008 / 09 Swimming WA had over 900 swimmers included in the JX program, each swimmer received a JX swim pack for their efforts.

On the 9th May 2009 Swimming WA conducted its first JX Hour of Power session. The session was open to all 10 and 11 year old Gold and Gold Star JX swimmers. The session was run by Olympians Jen Reilly and Adam Lucas who provided insights into what it takes to be an Olympian.

Shell Novice Swim Meets

Swimming WA conducted sixteen Shell Novice Swim Meets through various host clubs between November 2nd, 2008 and April 4th, 2009. Seven meets were conducted in regional areas. This year was the 43rd year of Shell's support of these meets.

In total 802 swimmers participated in the meets of which 337 were novice swimmers. A Shell Finals Meet for the top ten swimmers from the combined Shell results was held at Riverton Leisureplex on the 31st of May 2009 which saw many great swims from WA's talented youngsters.

The Shell Finals Meet hosted 188 swimmers, many of these were from regional areas and the majority of swimmers swam in multiple events. Medals were awarded to the top three in each race and a participation cap was given to every competitor.

Swimming WA gave out three prizes of \$500 to clubs and schools to acknowledge and reward their efforts towards the Shell Meets. The winners were:

Host Club with the most participants who entered a Shell Novice Swim Meet:

Lawley Aquatic Swimming Club - \$500

Host Club who recruited the highest percentage of new members as a result of conducting a Shell Novice Swim Meet:

Breakers Swimming Club - \$500

School that had the most participants enter a Shell Novice Swim Meet:

Perth College - \$500

Schools And Colleges Relays

A total of thirty schools assembled for the annual Schools and College's Relays held at Challenge Stadium on Sunday February 22nd. Many very competitive races came from the 595 meet entries with the event showing a good depth of swimming ability in WA schools.

The Primary School session went ahead with no problems and was a great experience for the youngsters. The children swam in a less competitive atmosphere with no disqualifications or medals awarded to the fastest teams. The Middle School session contained strong swimmers from the future Champions of the Pop Agnew and McClements/Watson cups, these swimmers contributed well to their schools overall point scores.

The Final Session brought each school's senior swimmers together for the relay dashes. The keenly contested 6x 50m Freestyle Pop Agnew Memorial Cup was retained by Christ Church Grammar for the fourth year running with Wesley College just seven hundredths of a second behind. The same format for the girls saw Iona take the McClements/Watson cup home for a second successive year. They swam well to beat St Hildas to the wall in a great race.

At the end of the day there can only be one overall winner which in 2009 was Wesley College for the boys who have now won the trophy every year bar one since 2002. Penrhos College won overall for the girls, they have won every year since 2003 after sharing the honour with Iona last year.

A big thank you to the officials for their tireless work throughout the day, and a special mention to those volunteers who sacrificed their time in an effort to keep the meet running smoothly.

Sam Hunt
Development Officer

EVENTS & COMPETITIONS REPORT

Hancock Family Medical Foundation State Short Course Championships

Open & Junior - Thursday 10th – Sunday 13th July 2008

Age - Saturday 30th & Sunday 31 August & Saturday 6th & Sunday 7th September 2008

The Hancock Family Medical Foundation's generous sponsorship of the State Short Course Championships continued into the 2008 / 2009 season. The partnership between Swimming WA and the Hancock Family Medical Foundation has been in place since 1993 providing participation opportunities and elite pathways throughout the State.

Statistics:

Event: 2008 Hancock Family Medical Foundation Open & Junior SC Championships

Venue: Challenge Stadium

Entry Numbers: Athletes – 456 Relay Entries – 113 Individual Entries - 2031

Event: 2008 Hancock Family Medical Foundation Age SC Championships

Venue: Challenge Stadium

Entry Numbers: Athletes – 520 Relay Entries – 190 Individual Entries - 2620

Our thanks go to the Hancock Family Medical Foundation and Gina Rinehart for their long term support of swimming in Western Australia.

2009 SunSmart Swimming WA State Championships

Wednesday 17th – Monday 22nd December 2008

Healthway, through the Cancer Council of WA continued their support of the State Championships series in 2008/2009 promoting the SunSmart message.

The championship series incorporates the:

- SunSmart State Open Championships
- SunSmart State Age Championships
- SunSmart State Relay Championships

The Country and Metropolitan Shields were decided from club points for swimmer placing gained over the championships with Mandurah winning the Country Shield and West Coast the Metropolitan Shield.

Statistics:

Event: 2009 SunSmart Swimming WA State Championships

Venue: Challenge Stadium

Entry Numbers: Athletes – 533 Relay Entries – 195 Individual Entries - 2345

Our thanks go to Healthway for their long term support of swimming in Western Australia.

Swimming WA Country Championships

Saturday 10th - Sunday 11th January 2009

The 2009 Swimming WA Country Championships is the states highest profile and pinnacle event for country swimming clubs.

Statistics:

Event: 2009 Swimming WA Country Championships

Venue: Challenge Stadium

Entry Numbers: Athletes – 310 Individual Entries - 1777

Swimming WA Summer Sensation

Friday 13th - Sunday 15th February 2009

The 2009 Swimming WA Summer Sensation was a new named event that substituted the Sprint Championships. This provided swimmers with the opportunity to show their speed in the pool as it incorporated 50m events that were included as part of the 2009 SunSmart WA Swimming Championships.

Statistics:

Event: 2009 Swimming WA Summer Sensation

Venue: Challenge Stadium

Entry Numbers: Athletes – 333 Individual Entries - 1296

Swimming WA Junior Championships

Saturday 21st – Sunday 22nd March 2009

The 2009 Swimming WA Junior Championships is a new event onto the Swimming WA Calendar this season and is WA's highest profile and pinnacle event for junior swimmers.

Statistics:

Event: 2009 SWA Junior Championships

Venue: Challenge Stadium

Entry Numbers: Athletes – 519 Relay Entries - 141 Individual Entries - 2143

The Water Corporation Open Water Swimming Series

The 2008/2009 Water Corporation Open Water Swim Series was a huge success with competitor numbers, promotion and partner support all increasing.

Water Corporation OWS Series 1

2 November 2008 @ Champion Lakes (1.25km, 2.5km, 5km, 10km)

Water Corporation OWS #2

15 November 2008 @ Rockingham Foreshore (1.25km, 2.5km, 5km)

Water Corporation OWS #3

14 December 2008 @ Mullaloo Beach (1.25km, 2.5km, 5km)

Water Corporation OWS #4

4 January 2009 @ Leighton Beach (1.25km, 2.5km, 5km)

Water Corporation OWS #5

24 January 2009 @ Sorrento Beach (1.25km, 5km*)

25 January 2009 @ Sorrento Beach (2.5km, 10km**)

*(includes Swimming WA OWS State Championships)

** (includes "Rottnest Channel Swim Rotto Rehearsal)

Statistics:

<u>Event</u>	<u>Venue</u>	<u>Entry Numbers</u>
Water Corporation OWS #1	Champion Lakes	Athletes: 214
Water Corporation OWS #2	Rockingham Foreshore	Athletes: 188
Water Corporation OWS #3	Mullaloo Beach	Athletes: 252
Water Corporation OWS #4	Leighton Beach	Cancelled due to shark sightings
Water Corporation OWS #5	Scarborough Beach	Athletes: 432
		Total: 1086 athletes

Our sincere thanks go to The Water Corporation for their support of swimming in Western Australia.

2009 Indian Ocean All-Star Challenge

Saturday 11th – Sunday 12th April 2009

Sponsored by the Department of Sport and Recreation, the Indian Ocean All-Star Challenge is an international swimming meet held in Perth that has been running for eight years which provides an exciting opportunity for developing swimmers who have not yet represented their countries in an official National Team. It also encourages participation and opportunity for all levels of swimmers in Western Australia, whilst adding profile to the sport in WA.

The 2009 Indian Ocean All Star Challenge proved to be another successful year with competitors travelling far and wide over the Easter break to attend the event. The 'Asian' team included: Hong Kong, Malaysia, Philippines, Singapore and Thailand. The 'Aussie' team had swimmers from all over Western Australia, New South Wales and Victoria. This year the event included a cultural aspect with Chinese dragon dancers and an indigenous person playing the didgeridoo giving a Noongar welcome as part of the entertainment.

The event was organised by Swimming WA and was held at Challenge Stadium on the 11th–12th April 2009. It saw close to 260 competitors compete for their country, pride and credibility throughout the two day Easter meet.

The meet saw a fantastic display of team spirit, friendly inter-country rivalry and camaraderie. The Aussie Team were sensational, keeping the trophy on home soil with a solid 500 point victory over the Asian contingent.

Swimming WA looks set to continue to grow the event in 2010 and has plans to turn this into a major highlight on the WA sporting Calendar.

Statistics:

Event: 2009 Indian Ocean All Star Challenge

Venue: Challenge Stadium

Entry Numbers: Athletes-257 Clubs-46 Relay Entries-196 Individual Entries-1534

MEDIA REPORT

Media Coverage

Media coverage has been quite extensive within the Community News Group and is very responsive to media releases distributed by Swimming WA. The West Australian has featured articles on up-coming swimmers and events with information and quotes supplied by Swimming WA.

Swimmer of the Year Awards

Swimming WA's most prestigious award ceremony, The 2009 Vorgee WA Swimmer of the Year Awards, was held as a breakfast at the Sheraton Hotel on Saturday, 27th June 2009. Despite a lower attendance in comparison to last year's event, close to 300 guests attended the awards that included Swimming WA members, parents, volunteers, officials, 2008 & 2009 Hall of Fame inductees, Members of Parliament, family and friends. Overall it was considered an exceptional turnout for a non Olympic year.

Articles appeared in The West Australia promoting The 2009 Swimmer of the Year Awards on Friday 26th June 2009 as well as featuring in the social pages on Wednesday 1st July 2009. Channel 9 News featured the awards in their sports report.

2009 Hall of Fame

Swimming WA's 2009 Hall of Fame inducted 9 members recognizing athletes, coaches, & officials that have excelled at an Olympic, Commonwealth, Pan Pacific Championships or World Championships level.

The 2009 Hall of Fame members were inducted as part of the 2009 Vorgee WA Swimmer of the Year Awards. The recipients include:

Fiona Alessandri

Christine Barnetson

Tracey Cross

Lorraine Dodd

Kevin Holtom

Jacqui McKenzie

Deane Pieters

Jonathan Van Hazel

Belinda Woosley

Swimming WA's Newsletter

The 1st edition of Swimming WA's Newsletter was introduced on the 25th May 2009 and is distributed monthly to approximately 4000 people electronically that includes WA members, clubs, e-news subscribers and people who are interested or involved in the swimming community. The newsletter contains information on Swimming WA news, events, articles, media updates as well as paid articles from various sources.

RecSwim

RecSwim's website is currently under reconstruction that will be re-designed to be more interactive for our users giving them much more value for money. The new look will enable Swimming WA to recruit new members to 500 by 30th April 2010. Child3 have been contracted to deliver this service of branding, website design and management.

Clare Kelly Media and Public Relations

RECORDS REPORT

Records Officer Report 2009

TECHNICAL, EDUCATIONAL AND OFFICIALS COMMITTEE REPORT

The 2008/2009 year has seen the settling in of the National Officiating Program with WA continuing to implement and follow the new processes. Many of our States officials have travelled to officiate at meets at varying levels including World Cup, Pacific School Games, Junior Pan Pacs, Arafura, Dual in the Pool and National Open, Age and Short Course Championships. Working at these meets gives experience and knowledge which is then utilised at our meets. As the interest and development in Open Water Swimming continues amongst Technical Officials we also have representation at National events in this area.

Congratulations to Sandra Wood on achieving State Referee (R2) status this year and to those who achieved R1 status and are now progressing towards their R2. The ongoing dedication and commitment of all Technical Officials who volunteer their time to run our swim meets is greatly appreciated. The implementation of a Mentor program will assist our Officials to maintain a high standard and to reach their own personal goals.

I thank all Technical Officials throughout WA for their time to ensure the smooth running and high standard of swim meets we experience. Thanks also to the Technical Committee for their commitment to the education and training of our Officials.

Kaye Bolger
Swimming WA Technical Coordinator

COUNTRY COORDINATORS REPORT

Initially at the beginning of the season it was thought that all Regions would be fully functional but unfortunately this was not to be due to various reasons. This has meant that some Regions were unable to take benefit of funding available through the Department of Sport & Recreation. During 2008/2009 all Regions through their participating clubs have hosted successful swim meets open and closed.

This season the Regions have been encouraged to organize their own Development weekends and cluster clinics with assistance from the Swimming WA Development Officer. This has been relatively successful but there is room for improvement especially in the Regions that were unable to submit their funding plans to the Department of Sport and Recreation.

The highlight of the Regional Swimming calendar is undoubtedly the Country Pennants. Carnarvon Swimming Club (Gascogyne Region) was the host for this event. Unfortunately due to an impending cyclone Karratha and Hedland did not participate. But this did not deter the other clubs to travel afar and enjoyed a very successful weekend and hospitality of the host club. Thanks to all for your continuing support of this event.

With the assistance of the Technical committee most of the Regions have taken the opportunity to run courses during the season. It is pleasing to see that so many parents are now taking on officiating roles and therefore the Regional Clubs are becoming less reliant on having to get Technical assistance from the city to run their meets.

Brief Summary of Regions

Southwest

New affiliated club – Georgianna Molloy

Bunbury, Mandurah, Peel Aquatic & Harvey hosted successful meets

Region meet – 20 records broken

Higher swimmer attendance at State & Country Championships

Several swimmers swam at Nationals

Development weekend held at Harvey was very successful

Country Pennants – 10 clubs from region participated

The challenge for the future is how to offset the cost of lane hire especially when running cluster clinics.

Great Southern

Region clinic – held in Albany very successful – 137 participants

Championships held in York – numbers down but very successful

National Age – 3 swimmers from the region participated

This year to focus on having more cluster clinics through the Region

Kaye & Jacqui (Referees) have officiated at National Swim meets

5 clubs attended Country Pennants

Wheatbelt

Inclusion of 2 new clubs – Gingin & Dowerin

Successfully hosted Open Short & Long course meets during season

Two Regional carnivals were held – Goomalling & Northam

15 persons completed the General Principles course – 10 have now completed competency assessments

A State Level Referee qualified in the region.

3 new ASCTA accredited coaches

3 Cluster clinics and a High Performance clinic were very successful

A number of swimmers attended Country Championships

Participation in C Grade Premiership – 6th placing

3 clubs participated in the SWA Virtual carnival

5 clubs attended Country Pennants

Goldfields

Invitational meet & Technical course was held in Kambalda

7 swimmers from Kambalda attended Country Championships

Kambalda attended Country Pennants – they are planning to host this event in 2011

Midwest, Gascoyne, Pilbara & Kimberley

The Pilbara Championships, Northwest Open and the Kimberley Open short course were again very successful swim meets.

All of these regions held technical courses

Swimmers from all these regions participated in both State and Country championships

The goal for 2009/2010 is for all Regions to have active committees so as to be able to access funding opportunities. With the availability of new technology accessed through Swimming WA it is hoped that the Region co-coordinators will be able to liaise more effectively without the travel.

Northam Swim club (Wheatbelt) will be the host for Country Pennants 2010.

Jan Smith
Country Coordinator

BOARD REPORT

Your board members submit the financial report of the Western Australian Swimming Association (Inc.) for the financial year ended 30th June 2009.

Board Members

The names of committee members throughout the year and at the date of this report are:

J Bailey

J Williams

D Harris

R. Corkill

R.Lucas

L.Kapor

M Green

D Toll (Executive Director)

Principal Activities

The principal activities of the Association during the financial year were to provide, manage and promote swimming in WA and to manage and promote competitive opportunities to members of the association.

Significant Changes

No significant change in the nature of these activities occurred during the year, the period of reporting however has been extended to a fourteen month reporting term.

Operating Result

The surplus/ (Deficit) for the twelve month period was \$118,338.

David Toll
Executive Director

Jeanette Bailey
President

STATEMENT BY MEMBER OF THE BOARD

The board has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the board the financial report

1. Presents fairly the financial position of Western Australian Swimming Association (Inc) as at 30th June 2009 and its performance for the fourteen month period on that date.

2. At the date of this statement, there are reasonable grounds to believe that Western Australian Swimming Association (Inc.) will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Committee by:

David Toll
Executive Director

Dated this 10th day of September 2009

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE WEST AUSTRALIAN SWIMMING ASSOCIATION (INC)

Scope

We have audited the financial report, being a special purpose financial report, of Western Australian Swimming Association (Inc.) for the year ended 30th June 2009. The board is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements of the Associations Incorporation Act (Western Australia) and are appropriate to meet needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of Western Australian Swimming Association (Inc.). No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act (Western Australia). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations. These policies do not require application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Western Australian Swimming Association (Inc) as at 30 June 2009 and the results of its operations for the year then ended.

ANDERSON MUNRO & WYLLIE

Chartered Accountants

BILLY-JOE THOMAS
Director

Dated this 10th day of September 2009

Osborne Park, WA

WESTERN AUSTRALIAN SWIMMING ASSOCIATION (INC) FINANCIAL REPORT

FINANCIAL YEAR ENDED 30th JUNE 2009

The financial operations of the Association for the **2008/2009** year resulted in a **net cash surplus of \$216,855**.

After allowing for provisions for unacquitted grants and the movements in accrued expenditure the Association had a **net surplus of \$ 118,338**.

The budget for the year was for a surplus of \$7,500. The major variances to budget were as follows:

Revenue above/below budget

Sponsorship revenue	\$ 22,700
Government Grants	\$ 89,700
Investment Income	\$ 27,400
Net Swim Meet Income	\$ 23,100
Membership Income	-\$54,300
Net Coaching Income	-\$29,000
Net Learn to Swim Income	-\$45,500

Expenditure above/below budget

Wages	-\$49,200
Marketing	-\$36,800
Development	-\$26,500
High Performance	-\$21,500
Swimming Australia fees	\$ 11,300
Country Swimming	\$ 10,200
Depreciation	\$ 16,200

The Association's staff should be commended for their work in achieving these increases in incomes and reductions in expenditures.

As per last year, the accounts for the Association have been prepared on a receipts and payments basis for this financial year. Accounts prior to 2006 were prepared on an income and expenditure basis. The change in reporting mainly affects

the reporting of grant monies received during the year. In previous years only the amount of grant monies that had been expended during the year were shown as income, with unacquitted grants shown as a liability in the Association's balance sheet. Under the new reporting system, the total value of cash grants received each year is recorded as a receipt and any movement in unacquitted grants is recorded separately in the receipts and payments statement as accrued income/expense.

The Association had total receipts of **\$1,271,546** and total operating payments of **\$1,054,691** for the year. At 30th June 2009 there remained **\$202,162** in unacquitted grants. The Association is committed to expenditure in relation to grant monies received which remained unspent at 30th June 2009. The amount of grant money unacquitted at 30th June this year is **\$96,563** higher than at the same period last year.

The Association received the following Government Grants during the year

Healthways	\$135,000
Department of Sport & Recreation	\$140,000
Academy of Sport	\$ 45,000
Others	\$ 59,700

The Association thanks these Departments for their continued support

In addition the Association received sponsorship income totaling **\$101,862** from the following sponsors

Hancock Medical Foundation
Fisher & Paykel
Telstra
Shell Australia
Water Corporation
Vorgee

The Association also thanks these sponsors for their continued support and welcomes our new sponsors for this year.

Membership income for the year was **\$381,335** (up \$59,368 on last year). Swim meet entries for the year were **\$301,239** (up \$16,043 on last year).

The Association made a profit of \$18,190 from its Learn to Swim School for the year. The finance committee would like to thank the Association's staff for their efforts over the year in getting this venture operational and look forward to the continued success in the future.

The Association continues to be in a sound financial position. As at 30th June the Association had net assets of **\$739,831**

Garry Williams
Finance Coordinator

PERTH, WA

Dated: 8th September 2009.

WEST AUSTRALIAN SWIMMING ASSOCIATION (INC) – NOTES TO AND FORMING PART OF THE ACCOUNTS YEAR ENDED 30TH JUNE 2009

1. Statement of Significant Accounting Policies

This report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (Western Australia). The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act (Western Australia) and the following Australian Accounting Standards:

AAS 5	Materiality
AAS 8	Events Occurring After Reporting Date

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Grants and Sponsorship Monies

Grants and sponsorship are recognised on an accrual basis. These sponsorships have a strong historical link with the Association.

(b) Fixed Assets

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Clubs in Recess

Monies held on behalf of clubs which have ceased activities - repayable upon reconstitution of club

(d) Income Tax

The Association, being a non-profit sporting organisation, is exempt from income tax.

Annual Leave

Provision is made in respect of the Association's liability for annual leave.

(f) Investments

All investments are carried at cost.
