# Swimming WA presents the next Go Club Forum:

## Head Coaches Planning Meeting And Assistance Coaches Forum

GO CLUB Administration modules have been developed by Swimming Australia in conjunction with the Australian Coaches and Teachers Association (ASCTA) for the delivery of Club Development education sessions to Swimming Clubs. These modules are of great benefit to clubs, parents, coaches and athletes alike.

All Head Coaches and coaches of national level age and open athletes (Tier 1 Coaches) are invited to attend the Head Coaches Planning Meeting on Saturday the 4<sup>th</sup> of July before the start of the second swimming session. This meeting will be led by Greg Hodge, the WAIS Swimming Performance Manager.

Greg will also lead a talk for assistant coaches or any coaches of WA swimmers who do not directly coach national level age and open athletes (Tier 2 Coaches). This forum will cover findings of the Head Coaches Planning Meeting and will involve discussions as to how assistant coaches can influence swimming in WA. This will take place on Sunday the 5<sup>th</sup> of July.

Please note – Coaches must be fully accredited and members of Swimming WA.
