

Swim Star Caps are distributed to clubs to reward members for their enthusiasm and commitment to the sport. The caps reward and recognise members for non-performance related achievements. Clubs determine which of their members receive the Swim Star Caps and are welcome to email Swimming WA to have their recipient's names added to this document. Popular reasons to win the caps include the most consistent trainer, happiest squad member, best fundraiser or best team member.

Swim Star Caps are distributed to Clubs directly from Swimming Australia and should arrive this November. If you would like the Swim Star Cap Recipients from your club added to this document, or if you would like to find out how many Swim Star Caps are coming to your club, please email SWA Development Officer Sam Hunt at sam@wa.swimming.org.au
