

ANZSLA in association with THE AUSTRALIAN GOVERNMENT STANDING COMMITTEE ON RECREATION & SPORT (SCORS)

is presenting **free** forums around Australia aimed at assisting sports administrators understand legal issues confronting Australian sport and recreation.

The forums have been developed in plain English (without legal jargon!) and are designed to provide practical tips and suggestions for minimising legal risks in sport and recreation.

These forums are a must for volunteers, board & committee members of sporting clubs, and administrators of local and regional sporting and recreational organisations.
