2009/10 SunSmart Colour Pennant Competition

An inter-club based carnival- the SunSmart Colour Pennants are designed as a social competition providing competitor interaction, education and participation. Swimming WA look to expand the competition in 2009/10 and encourage all clubs to sign up for this event program. Why not partner with a country club as well and run a "virtual meet" alongside your competition- recording the results within the same point score.

The 2009/10 season of SunSmart Colour Pennant Competition is fast approaching. Those clubs wishing to participate this year should complete and return the entry form to Swimming WA by **5pm Friday 18th September 2009**.
