Swimming WA would like to apologize for the scheduling of the first short course qualifying event being conducted this weekend, 6 and 7 June 2009. The response has been enormous and accordingly the meet runs for a very long period of time. Swimming WA has for some time been exploring ways to reduce the amount of time spent at meets. We are conscious of the burden that long meets place on families and are aware that long qualifying meets are not overly entertaining or for that matter enjoyable. Along with our competition planning committee, we are looking to introduce more inventive ways to present our meets. We request your patience across the weekend.
