Club members would be aware of the requirement to present audited financials to SWA within 3 months of the end of the clubs financial year as per policy 9.17. Most clubs financial year end at 30 April which means the 3 month period ends today. So far we have received 9 sets of accounts from Metro clubs and 6 from regional clubs.

Section 9.18 of the policies states:

Failure to forward this financial statement within the defined period shall result in the body's re-affiliation being suspended, thereby negating rights and benefits to which it is entitled under the constitution.

I urge all clubs to initiate this action ASAP to avoid any negative issues which may result for swimmers.

Thank you

David Toll
