THE CLUB SUPPORT PROGRAM

To the Committee:

Swimmer's World is proud to announce this new and exciting concept were we the shop owners want to reward the clubs for their support.

Since we have been open, just over two months ago, we have been blown away by the response to the shop from the swimming community.

Swimmers from all clubs have come in and given us total bipartisan support, it has been fantastic.

We thought Perth needed a specialized swimming shop, and so far we have been right judging by the response.

We want to give back to the clubs and help swimming in WA.

So we are introducing: **THE CLUB SUPPORT PROGRAM.**

How it works:

We will set up a credit account for your club.

When a member purchases an item from our shop we will give them a 10% discount and credit your club 5% of that sale.

Eg: A customer purchases several items to the value of \$300.00.

We give them a 10% discount which is \$30.00.

Your club will receive a 5% credit to the value of \$15.00

At the end of each month a statement will be sent to the club with the amount Swimmer's World will donate to the club.

You can receive that each month or build it up over six to twelve months.

You may want to put it towards the national and age swimmers going interstate.

You may want to use the money for trophies, club nights, or part of your fundraising.

It's available to your club whenever you want.

The more your member's shop with us the more your club makes.

IT'S THAT EASY

But you must register

So please ring or email us for this program.

We need to put you on our data base and we need to know who to send the monthly statement too:

Get behind this new initiative and support your club.
