

# Swimming WA presents the 2009 SunSmart State Age Championship's Trades Show

During the SunSmart State AGE Championships, businesses with the capacity to assist swimmers, parents, clubs and coaches with their various products and services will be on display.

This Trades Show will be informative, interactive and add atmosphere to the event. Companies will set up stalls on the concourse behind the main grand stand of the Indoor 50m pool so make sure you duck out to have a look.

If you would like any more information on the Trades Show or you would like to enquire about registering your business, please contact Swimming WA Development Officer Sam Hunt at [sam@wa.swimming.org.au](mailto:sam@wa.swimming.org.au).

## Trades Show
