NB Please note that Transfers are not effective until they are approved by SwimmingWA and will attract a '30 day cooling off period'. During this time the swimmer will swim 'Unattached'. Should the '30 day cooling off' period cease between the date of closure of entries to a swim meet and the commencement of that swim meet, the swimmer will still be classified as swimming 'Unattached' and unable to compete in Club Relays for their new Club. Refer to SwimmingWA Policies 9.45.
