1. The individual FINA points score for EACH event is calculated across all events
2. The highest achieved overall FINA Points Score is then used to determine the highest ranking Swimmer and 1st Selection (in this example 778pts Eri Morikawa 400m Ind Medley)
3. The next highest achieved overall FINA Points Score is then used to determine the highest ranking Swimmer and 2nd Selection (in this example 726pts Whitney Ireland 100m Backstroke)
4. The next highest achieved overall FINA Points Score is then used to determine the highest ranking Swimmer and 3rd Selection (in this example 724pts Aleysha Tokai 400m Freestyle)
5. The next highest achieved overall FINA Points Score is then used to determine the highest ranking Swimmer and 4th Selection (in this example 707pts Melanie Bath 200m Butterfly)
6. The next highest achieved overall FINA Points Score is then used to determine the highest ranking Swimmer and 5th Selection (in this example 705pts Kallie Rump 800m Freestyle)
